What is Binance Learn And Earn Quiz?

With the goal of helping its customers better understand cryptocurrencies and blockchain technologies, Binance created the Learn and Earn Program.

Users are encouraged to learn more about crypto by reading articles and watching tutorial videos. And then they'll use that knowledge to earn cryptocurrency by taking tests.

These have time-sensitive rewards that decrease in value with time. Both of the introductory classes cost 50,000 SHIB and cost half a billion US dollars.

What is Lido (LDO)?

Among the expanding number of Layer 1 PoS blockchains, Lido (LDO) stands out as a safe and liquid staking option for proof-of-stake (PoS) cryptocurrencies like Ethereum 2.0 (The Merge). Staking PoS tokens on Lido results in a tokenized replica of the staked asset at a 1:1 ratio. They will receive staking incentives from tokens put on Lido, and they can also use the tokenized version of their staked assets to gain yield from other DeFi protocols.
