Chimpzee's Unique Ecosystem

One of the things that make Chimpzee outstanding is its unique ecosystem that combines financial incentives with a noble cause. Overall, the unique Chimpzee ecosystem is an interconnected network of various Web3 platforms and features, including the Chimpzee store (Shop2Earn), the NFT Marketplace (Trade2Earn), and the Zero Tolerance Game (Play2Earn).

Shop2Earn

Representing the commerce hub of the ecosystem, the Chimpzee store provides an opportunity to earn CHMPZ coins when customers purchase a variety of Chimpzee gear, whereas a percentage of the profits are donated to worthy organizations focused on protecting animals and the environment.

In this context, the "ShoptoEarn" component incentivizes customers to make purchases or engage with the platform's products or services by offering rewards in the form of CHMPZ coins, which can

be used to unlock discounts or special offers within the ecosystem. Chimpzee NFT passport owners earn more CHMPZ coins and acquire access to special discounts and promotions.

Trade2Earn

Innovative and interactive, the Chimpzee NFT Marketplace will be one of the first marketplaces that shares a portion of the trading fee profits with everyone on the platform. This means that users can earn a share of the trading fees generated on the marketplace by holding a Chimpzee NFT passport or by actively trading on the marketplace.

Play2Earn

As the main entertainment juncture of Chimpzee, the Zero Tolerance Game is a game that rewards users with CHMPZ coins when they reach certain milestones, providing an additional opportunity to earn through the platform. Overall, the game's name is "zero tolerance," emphasizing how Chimpzee and his army stand up to fight to protect the animals we share our planet with and ultimately stop the mechanics of man from destroying our forests.

In these detrimental circumstances, there is "zero tolerance" for abuses against nature and our environment, To recognize their commitment, those players that use their personalized Chimpzee Avatar or NFT Passport will receive additional benefits, rewards and earn more CHMPZ coins.

Overall, the project behind the CHMPZ token has established a structure that allows members of their community to protect the earth while earning CHMPZ reward. This innovative approach not only provides a compelling use case for the token but also ensures its long-term sustainability and appeal to socially conscious investors.

CHMPZ Tokenomics

The CHMPZ token represents the core financial unit of Chimpzee ecosystem and is utilized to purchase Chimpzee NFT passports required to earn the most passive income and get the highest amount of benefits and rewards.

Every CHMPZ coin used to purchase a Chimpzee NFT Passport when it launches is burned and taken out of circulation. This has a potential to burn up to 5 Billion tokens from the circulating supply.

To foster the viability of Chimpzee, a solid and sustainable structure for Tokenomics was established:

- **Public sale(45%):** Tokens will be sold to the public.
- **Exchange & Liquidity (10%):** To get on popular exchanges and dex's at later time.
- **Marketing(15%):** To spread the word of Chimpzee to the world and build a new movement to protect animals and save the environment.
- **Community Rewards (5%):** To reward the community for their support and activities to help spread the word.
- **Charity (10%):** To donate to organizations helping save animals and fight climate change.
- **Development(10%):** Development - To support the development of the Chimpzee ecosystem.
- **Team (5%):** For talent acquisition and team growth.
