Panda World (\$PADW) Presale

Created by a solid team with experience in developing major exchanges and crypto projects, Panda World launched a presale for its \$PADW token in July 15. According to its tokenomics, 40% of its total supply, which is capped at 88,800,000,000, is allocated for presale. This means 35,520,000,000 \$PADW tokens are available for early investors and supporters to grab at low prices prior to listings.

The image shows a promotional banner for the Panda World (\$PADW) presale. The background features a traditional Chinese architectural style with a red and gold facade. The text "Panda World" is prominently displayed in a white, stylized font. Below it, the tagline "Explore the exciting adventures and hidden treasures of Panda World!" is written in white. There are two buttons: "WHITEPAPER" and "AUDIT". On the right side, there is a dark overlay with a "BUY NOW BEFORE PRICE RISE" section. This section includes a countdown timer showing 02 Days, 03 Hours, 56 Minutes, and 42 Seconds. Below the timer, it states "USD RAISED: \$104,991.53 / \$643,456". A progress bar indicates the amount raised. Below the progress bar, it shows "YOUR PURCHASED \$PADW= 0" and "YOUR STAKEABLE \$PADW= 0". The current price is listed as "1 \$PADW = \$0.00018". There are three payment options: "ETH", "USDT", and "CARD". Below these, there are input fields for "Pay with ETH" and "Max Receive \$PADW". At the bottom of the overlay, there are buttons for "Connect Wallet" and "Buy with BNB". The text "Powered by Web3Payments" is visible at the very bottom.

Despite the short time since its presale launch, Panda World (\$PADW) has raised over 100K in such short time, indicating huge demand from crypto enthusiasts. At the time of writing, early buyers can grab \$PADW at a discounted price of \$0.00018. Even before any potential future DEX and CEX listings, the \$PADW price will go through scheduled jumps during the presale.

How to buy the \$PADW Token?

If you are interested in Panda World (\$PADW) meme coin, here's the step-by-step guide to investing in the \$PADW presale:

Step one: Get a Crypto Wallet

MetaMask, Best Wallet, and Trust Wallet are recommended crypto wallet options. Once chosen, download and install it. Then, create a password and secure your 12-word seed phrase.

Step two: Purchase ETH, BNB, or USDT

ETH, BNB and USDT are the only supported options. So, you can either go to a CEX, buy the coins, and transfer them to the wallet, or buy the cryptos right within the wallet.

Step three: Connect the Wallet

Go to the official Panda World presale website and select the network and coin that you want to use to buy \$PADW tokens. Click on the 'Connect Wallet' option and select the one you have.

Step four: Approve the Connection

Then, click on the notification to confirm the connection if you are using the same device that hosts your wallet. Otherwise, open your wallet and manually approve the connection.

Step five: Buy \$PADW Tokens

In the wallet, review your investment size and other related details. If you are satisfied, authorize the transaction.

Step six: Claim \$PADW Tokens

Once the presale concludes, your \$PADW tokens will be automatically sent to your wallet. To claim the tokens, connect the same wallet to the ETH or BNB chain, verify the balance, click claim, and verify the transaction.
