## What is SpacePay?

SpacePay is a London-based fintech startup. With a goal of transforming the payment landscape by bridging traditional payment infrastructure with decentralised blockchain technology, SpacePay enables payment companies and merchants to conduct safe and secure crypto transactions on their card machine systems.

As a decentralised, terminal-agnostic payment protocol embedded within card machines, SpacePay is highly user-friendly. It supports crypto transactions in retail environments while mitigating volatility risks for merchants. Notably, SpacePay was honoured with the “New Payment Platform of the Year” award at the CorporateLiveWire Global Awards 2022/23.
